It is stated that William McCray will decline to stand as a candidate for representative on the democratic ticket. At the time of going to press the resignation has not been filed but we can state on authority that Mr. McCray has, after careful consideration, determined that this is not a democratic year and that he does not want to hold the sack in the snipe hunt. His letter of resignation is in the hands of the powers that be and will doubtless be filed during the day as Mr. McCray is in the city at this writing for the purpose of withdrawing

Richardson County Teachers Institute

The Richardson County Teachers' Institute opened at Falls City Monday and will continue this week. There are 153 teachers in attendance and healthy interest is shown in the work.

The following instructors are in charge: Profs. Pillsbury, Hoff and Wilson, Supt. Crocker, Mrs. H. C. Richmond, special instructor in music; Miss Belle Newell, of Grand Island, primary methods and primary kensington; Miss Martha Pierce of Lincoln with a class in picture study. Prof. Schlaifer of Humboldt is in charge of the letter writing.

Much interest was manifested in the spelling contest which was held Monday night in the high school building. Miss Maud Beatty won first prize and Miss Almeda Hill second.

The county school exhibit is especially fine and shows general interest has been taken in this class of display work. The institute is characterized by snap and energy in spite of the very warm weather. Following is the enrollment:
